(\$720 minimum will be charged)

FREE LESSONS...

Students will be given a lesson, which will teach them the basic skills on the beginner slope before the instructor will release them for independent skiing and using the chair lift. Seven Oaks also offers snow tubing to your school group. Snow tubing requires less skill than skiing but provides lots of thrills and entertainment. Each student will be given basic instructions on how to safely slide down the hill.

A school group outing can be scheduled for up to 5 hours of outdoor fun.

**LUMP SUM PAYMENT
AND ADVANCED
RESERVATIONS
REQUIRED**
